A Rumor of Bones A Lindsay Chamberlain Mystery

By Beverly Connor

Cumberland House Publishing. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 6.9in. x 4.3in. x 0.8in. Lindsay Chamberlain has a problem. People keep finding bodies in shallow graves and bringing the bones to her. Its not that she doesnt know what to do with the remains. An anthropologist who specializes in archaeology, she is an expert in the forensic analysis of bones. Its the bones of missing children, however, that disturb her, and lately shes had more than her share of them. Someone has been abducting young girls in the area for several years, and their remains have recently been found in shallow graves in a nearby wooded area. And Lindsay is asked to identify them. A lot of strange things have happened since Lindsay and her colleagues from the Anthropology Department at the University of Georgia first began excavating the Indian settlement at Jasper Creek. First came the grave robbers and pot hunters, then the mysterious opposition that jeopardizes their work. After the shady lawyer who has orchestrated some of the trouble is murdered and someone attempts to abduct a nine-year-old girl, Lindsay finds herself in the middle of a crime that took place sixty years earlier. Because so much...

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

-- Audrey Lowe I

It is fantastic and great. It is really simplified but unexpected situations from the 50 % in the ebook. I discovered this ebook from my dad and i suggested this book to learn.
