Brand New Book ***** Print on Demand *****.Excerpt from Top-of-the-World: Stories for Boys and Girls Not for my dear usual public of little children have I gathered these stories from Scandinavian authors, but for boys and girls who have reached a stage which warrants a rather free range in Story Land. For here are to be encountered creatures and events, deeds and ideas, unsuited to youngest readers, but which have legitimate attraction for boys and girls from nine to fourteen years old - the age varying according to the child's maturity and previous reading. Five of these stories were written by the noted Finnish author, Zachris Topelius, who wrote them, and much else, for the children of Finland and Sweden more than fifty years ago. His loving sympathy for children, and his earnest desire to write only what was wholesome and good for them, shine through all his literary work for the young.
