## William Makepeace Thackeray

By Richard Salmon

Northcote House Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, William Makepeace Thackeray, Richard Salmon, Acknowledged by his contemporaries as one of the great novelists of the 19th-century, WM Thackeray's critical reputation suffered a marked decline over the last hundred years. This book, the first introductory critical study of Thackeray's writings in twenty years, seeks to redress this state of relative neglect by examining a much wider range of writing - from novels to shorter fiction, journalism and criticism - than is customarily familiar to readers of Vanity Fair. The generic and formal diversity of Thackeray's writing is shown to emerge out of the specific material contexts of early to mid 19th-century literary culture, primarily the journalistic culture of the periodicals to which he contributed. Richard Salmon argues that the materiality of culture, a recent preoccupation of literary criticism and theory, is one of the most pervasive characteristics of Thackeray's consciousness of time. His journalistic relationship to the present and antiquarian fascination with memory and the 18th-century past is a recurrent feature of his writing. Divided into chapters along conceptual rather than strictly chronological grounds, this work identifies many of the persistent patterns and concerns of Thackeray's writing.

### Reviews

*Without doubt, this is the very best job by any article writer. It typically does not cost too much. You are going to like just how the blogger write this pdf.*

-- Jazmyn Beier II

*This book can be worth a read through, and far better than other. It can be writter in easy phrases instead of confusing. You will not really feel monotony at at any moment of your respective time (that's what catalogs are for concerning if you check with me).*

-- Wilber Altenwerth
