On a clear sunny day, I received a message from the Archangels. It came as a voice whispering, yet filled every fiber of my being with a knowing that daydreams are a doorway to a higher consciousness, a bridge between the physical and spiritual world. Everyone daydreams. With Angels Whisper to Us I have created a manual that teaches the reader how to access and understand the guidance, inspiration and acknowledgment that comes to us from Angels, spirit guides and loved ones who have passed on, via our daydreams. Why wait for angels to visit you? Lace up your wings and meet them half way. Let Daria take you on a journey to that breathtaking space between Heaven and Earth where you ll find answers to questions about career, family, health and love. Daria has helped me achieve my life s purpose in the most remarkable ways and her greatest joy will come from doing the same for you in this spectacular book full of secrets you ll wish you d learned years ago!
