

Diseases of the Stomach and Intestines (Classic Reprint)

Filesize: 8.06 MB

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

(Dr. Reta Murphy)

DISEASES OF THE STOMACH AND INTESTINES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diseases of the Stomach and Intestines In view of the excellent works on diseases of the stomach and intestines that have been placed before the medical profession, the publication of a new book on these subjects might almost seem to be superfluous. From a great accumulation of material, it is often difficult for the general practitioner to select simple and practical methods, and it is the endeavor that this volume should render service in this special direction. Many physicians have neither time nor opportunity to devote to a practical clinical course, and next in value to this for the purpose of instruction is the employment of photography to demonstrate the methods of diagnosis and treatment. Of this I have endeavored to take advantage. Many of the illustrations are from photographs of patients at the Manhattan State Hospital, taken by Mr. Hill, the official photographer, for whose services I am indebted to the courtesy of Dr. Win. Mabon, the Medical Superintendent. Some of the illustrations have been made by my artist from models. As visceral displacements have recently assumed an important position, their symptoms, diagnosis, and treatment, notably by mechanical methods, are specially described. Typhoid fever is included in this volume on account of its intestinal complications and for the purpose of differential diagnosis. A chapter is devoted to Diverticulitis, which has become an important subject. The endeavor has been made to indicate as clearly as possible the conditions which call for surgical procedure. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
