This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

MURDER AT THE MANOR: A BRITISH LIBRARY CRIME CLASSIC

Poisoned Pen Press, United States, 2016. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.The English country house is an iconic setting for some of the greatest British crime fiction. This new collection gathers together stories written over a span of about 65 years, during which British society, and life in country houses, was transformed out of all recognition. It includes fascinating and unfamiliar twists on the classic closed circle plot, in which the assorted guests at a country house party become suspects when a crime is committed. In the more sinister tales featured here, a gloomy mansion set in lonely grounds offers an eerie backdrop for dark deeds. Many distinguished writers are represented in this collection, including such great names of the genre as Anthony Berkeley, Nicholas Blake and G.K. Chesterton. Martin Edwards has also unearthed hidden gems and forgotten masterpieces: among them are a fine send-up of the country house murder; a suspenseful tale by the unaccountably neglected Ethel Lina White; and a story by the little-known Scottish writer J.J. Bell.
