Modified Ebola was created to wipe out the masses and cut down the numbers of humans on planet Earth. Three differing strains - due to natural mutation and the meddling of the mega-rich - has created a bleak world for those lucky enough to survive. This is book five in the saga and, whereas you might not have read books one - four, you can pick it up by jumping right in here. Life is peaceful once more, the newcomers are getting used to this way of life in southern England and Duke Woods is a dad again. Evil, however comes from across the Channel and threatens the very existence he has fought so hard to build. If the virus wasn't bad enough this new terror rips the heart out of not just Coast Town but The Woodman too as this battle becomes personal and painful.
