Springer-Verlag Gmbh Nov 2014, 2014. Taschenbuch. Book Condition: Neu. 236x156x12 mm. Neuware - Healthcare Changes Reach Main Street: A Call to Action for Physicians provides guidance, examples, and information on processes and time lines for physicians based on the implementation of The Affordable Care Act (ACA) that was established in 2010. This volume focuses on how geriatricians and other healthcare professionals can be engaged in responding to the roll-out of the ACA in their communities, and through this engagement assume leadership roles in local hospitals, healthcare organizations, and medical societies to advance quality improvement and new models of care for older adults. In-depth chapters provide an update on quality improvement efforts at the state level, as well as changes in Medicaid financing and the significant impact this will have for older adults, particularly dual-eligibles. Many elements of the ACA are yet to be rolled out and many healthcare decisions are yet to be made. Healthcare Changes Reach Main Street: A Call to Action for Physicians will guide healthcare decision makers and help them to play a leadership role in advancing quality care for older adults in our changing healthcare environment. 227 pp. Englisch.
