His wife has died in childbirth, leaving him alone with an infant daughter he cannot bear to name. But before he abandons her for king and court, he brings a second child to be raised alongside her, a boy whose identity he does not reveal. The girl, La Cendrillon, and the boy, Raoul, pass sixteen years in the servants care until one day a very fine lady arrives with her two daughters. The lady has married La Cendrillon s father, and her arrival changes their lives. When an invitation to a great ball reaches the family, La Cendrillon s new stepmother will make a decision with far-reaching effects. Her choice will lead La Cendrillon and Raoul toward their destiny -- a choice that will challenge their understanding of family, test their loyalty and courage, and, ultimately, teach them who they are.
