Our vision is simply to give out a message of hope, one that the most intelligent minds may cherish. These four tomes mean to help and inspire development, for a fairer, more democratic society. Arguably, the most interesting topic for the average person is reported in Tome III, ENLIGHTENED DEMOCRACY, which explains how an optimal administration and the public good can be brought together. But this alone is not enough to promote change - one must also assimilate the contents of the other three tomes. In other words, a radical awakening of Society is only possible if we truly work on transforming our own way of being, on nourishing our embryonic souls. We all possess from birth a historical DNA coming from afar: a memory, similar to that of a computer. If we don't root out this historical memory, with strength and courage, changing our way...
